AN ACT

To amend chapter 387, RSMo, by adding thereto one new section relating to rates and charges of motor common carriers of household goods.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 387, RSMo, is amended by adding thereto one new
2 section, to be known as section 387.075, to read as follows:

387.075. 1. Notwithstanding any provision of chapter 390, RSMo,
2 chapter 622, RSMo, or this chapter to the contrary, any common carrier
3 that is authorized to transport household goods by a certificate issued
4 under section 390.051, RSMo, may file one or more applications to the
5 state highways and transportation commission for approval of rate
6 schedules, applicable to that carrier's intrastate transportation of
7 household goods, that authorize periodic rate adjustments outside of
8 general rate proceedings to reflect increases and decreases in the
9 carrier's prudently incurred costs of providing transportation of
10 property by motor vehicle. The filing of applications by common
11 carriers under this section shall be authorized upon the same terms and
12 conditions as provided in section 386.266, RSMo, with reference to the
13 filing of applications to the public service commission by an electrical,
14 gas, or water corporation. These applications shall be made in such
15 form, and shall contain such information, as the state highways and
16 transportation commission reasonably may require.

17 2. Notwithstanding any provision of chapter 390, RSMo, chapter
18 622, RSMo, or this chapter to the contrary, the state highways and
19 transportation commission shall consider and determine every
20 application filed under subsection 1 of this section, upon the same terms
21 and conditions as provided in section 386.266, RSMo, with reference to

22 the public service commission's consideration and determination of
23 applications by an electrical, gas, or water corporation under that
24 section.

25 3. In proceedings under this section, common carriers and the
26 state highways and transportation commission shall be governed by the
27 statutes and rules of practice and procedure that are applicable in motor
28 carrier proceedings under chapters 387, 390, and 622, RSMo, except to
29 the extent they are inconsistent with the requirements of this
30 section. The statutes and rules that generally govern public service
31 commission proceedings relating to electrical, gas, and water
32 corporations shall not apply in proceedings under this section.
